No. Ro.c 411/36-37 dated 26.9.36 from the Director of Agri. forwarding the application of Mr Gundappa S. Kurpad, for grant of a motor Car advance.

Mr Gundappa S. Kurpad, Seenior Asst. Director of Agri., is drawing a salary of Rs 375/-. With a view to discourage purchase of motor cars by Junior officers whose expenses will be added to by such purchases, a limit of Rs 500/- has been fixed as the minimum pay for granting motor car advances.

There are precedents both for and against grant of motor car advances to officers getting a salary of less than Rs 500/-. For instance some D.S. P's have been granted motor car advances, though their salary was less than Rs 500/-, on account of their being Touring Officers.

In the present case, Mr. Gundappa S. Kurpad is also a Touring officer and the Director of Agri., recommends the grant of an advance of 4 months' pay.

Submitted for Orders. A draft G.O. is however put up.

D.O. letter No. 1056 dated 8/10th August 1936 from the Senior Assistant Director of Agriculture, Shimoga, to the Director of Agriculture in Mysore, Bangalore.

One matter which I was anxious to discuss with you entirely slipped my memory. For the last two months, I am touring in this Division, using the public vehicles for this purpose. My experience has so far been that more than half my time is lost in moving about from place to place. Also, it is impossible by this means to inspect any but a few villages and fields. Depending on the public conveyances and camping at places other than the starting places of these conveyances, has often meant the loss of a day due to want of accommodation. These losses are matters for serious consideration when the area I have to cover is considered. From past experience I know that a lot of time and money could be saved and a great deal more of satisfactory work turned out if I had a motor car available for my tours.

The pay I am getting and the allowances I am given do not allow me to buy and maintain a car. The rules also do not permit of an advance to me for the purchase of a car. Frankly, the position is one out of which I do not see a way. I am extremely anxious to do all the work you have asked me to do and more, and for this purpose, I would request you to see if you cannot make a special effort on my behalf to get a motor purchase advance sanctioned for me.

While I can assure you that I have not the slightest desire to embarass you in any way, I should also tell you of my desire to utilize my time to the best advantage. With this in mind, I do hope you will do your best to help me in the discharge of my duty. I beg to request that I may be excused for troubling you in this matter.
